

## 25L/Min CNG Pump Gas Dispenser Machine 20MPa RS485 RS232

Our Product Introduction

For more products please visit us on [refueling-equipment.com](http://refueling-equipment.com)

### Basic Information

- Place of Origin: China
- Brand Name: Virette
- Delivery Time: 20 - 30 days

### Product Specification

- Temperature Range: -25°C To +55°C
- Accuracy:  $\pm 0.5\%$
- Flow Rate: 15-25L/min
- Working Pressure: 20MPa
- Display: LCD
- Power Supply: AC 220V/50Hz
- Total Price Range: 0.01-999999.99
- Communication Interface: RS485/RS232
- Highlight: 25l/min cng pump gas, gas dispenser machine 20mpa, 25l cng pump gas

## Product Description

CNG Filling Station Dispenser within  $\leq 95\%$  Hose Length and Humidity Range  $\leq 95\%$

### Product Description:

The Natural Gas Fuel Pump is equipped with an LCD display that shows all the critical information such as the unit price, volume dispensed, and total cost. The Unit Price Range of this dispenser is 0.01-99.99, allowing you to set the price that best suits your business needs. The dispenser is also designed to be user-friendly, making it easy for drivers to operate and monitor the fueling process. With a hose length of 4m, this Compressed Gas Fuel Dispenser is ideal for use in commercial and industrial settings. The dispenser's hose is made of high-quality materials, ensuring that it withstands high-pressure and wear and tear. This Natural Gas Fuel Pump is an excellent investment for businesses that want to provide their customers with a reliable and cost-efficient fueling option. The dispenser has a compact design that makes it easy to install and maintain, and it meets all the necessary safety standards.

In conclusion, the CNG Gas Dispenser is a top-of-the-line Compressed Gas Fuel Dispenser that delivers compressed natural gas to vehicles. It is equipped with an RS485/RS232 communication interface, an AC 220V/50Hz power supply, an LCD display, and a 4m hose. The dispenser is user-friendly, reliable, and efficient, making it an excellent investment for businesses that want to provide their customers with a cost-efficient fueling option.

### Features:

Product Name: CNG Gas Dispenser

Power Supply: AC 220V/50Hz

Display: LCD

Unit Price Range: 0.01-99.99

Accuracy:  $\pm 0.5\%$

Nozzle: Single Or Dual

This CNG Gas Dispenser is a reliable and efficient CNG Fueling Equipment that offers a user-friendly experience. With an LCD display and an accuracy of  $\pm 0.5\%$ , this CNG Fill-Up Machine is perfect for those who need a quick and easy way to fill up their CNG Fueling Equipment. The nozzle can be single or dual, making it easy to use for any vehicle.

### Technical Parameters:

Product Attribute	Value
Product Name	Compressed Gas Fuel Dispenser
Power Supply	AC 220V/50Hz
Hose Length	4m
Total Price Range	0.01-999999.99
Accuracy	$\pm 0.5\%$
Communication Interface	RS485/RS232
Flow Rate	15-25L/min
Display	LCD
Humidity Range	$\leq 95\%$
Working Pressure	20MPa
Unit Price Range	0.01-99.99
Product Type	CNG Fuel Dispenser
Product Model	CNG Refueling Machine

### Applications:

The Virette CNG Gas Dispenser has a working pressure of 20MPa, which is ideal for CNG fill-up machines that require a high-pressure output. Additionally, the unit price range for this product is between 0.01-99.99, making it an affordable option for those in need of a reliable CNG fueling equipment.

The hose length for the Virette CNG Gas Dispenser is 4m, which provides ample length for a variety of fill-up scenarios. The power supply for this product is AC 220V/50Hz, which is a standard power supply for most commercial and industrial applications.

The temperature range for the Virette CNG Gas Dispenser is  $-25^{\circ}\text{C}$  to  $+55^{\circ}\text{C}$ , which means that it can be used in a variety of weather conditions. Whether it's freezing cold or hot and humid, this CNG distribution pump will be able to handle the demands of any CNG fill-up machine.

The Virette CNG Gas Dispenser is a versatile product that can be used in a variety of CNG fill-up scenarios. Whether you need to fill up a CNG-powered vehicle at a gas station or you need to fill up a CNG-powered forklift at a warehouse, this product will be able to handle the task at hand.

### Customization:

### Packing and Shipping:

Product Packaging:  
1 CNG Gas Dispenser  
User Manual  
Shipping:  
Shipping Method: Standard  
Estimated Delivery Time: 5-7 business days  
Shipping Cost: \$50
