

1 Inch Gasoline Hose Nozzle 50Psi Auto Shut Off Fuel Nozzle

Our Product Introduction

For more products please visit us on refueling-equipment.com

Basic Information

- Place of Origin: China
- Brand Name: Virette

Product Specification

- Features: Trigger Lock, Splash Guard, Automatic Shut-off
- Stamp Number: D11a150s187
- Material: Aluminum
- Nozzle Diameter: 1 Inch
- Hose Length: 10 Feet
- Quality: Guranteed
- Cylinder: Multi-cylinder
- Temperature Rating: 0-150 Degrees Fahrenheit
- Highlight: gasoline hose nozzle 50psi ,
50psi auto shut off fuel nozzle ,
1 inch gasoline hose nozzle

Product Description

50 Psi Pressure Rating Aluminum Gasoline Hose Nozzle with Automatic Shut Off

Features:

Product Name: Fuel Nozzle

Certifications:

UL

CSA

CE

Component: Fuel Injection Device

Material: Aluminum

Hose Length: 10 Feet

Stamp Number: Dlla150s187

Keywords: Oil Delivery Spout, Diesel Fuel Gun, Petroleum Flow Nozzle

Technical Parameters:

Gas Pump Spout Type:	Fuel Dispenser Nozzle
Nozzle Diameter:	1 Inch
Certifications:	UL, CSA, CE
Quality:	Guaranteed
Material:	Aluminum
Flow Rate:	10 Gallons Per Minute
Pressure Rating:	50 Psi
Stamp Number:	Dlla150s187
Component:	Fuel Injection Device
Temperature Rating:	0-150 Degrees Fahrenheit
Model:	11A
Gasoline Hose Nozzle:	Fuel Dispenser Nozzle

Applications:

The Virette Fuel Nozzle is ideal for a range of application occasions and scenarios. For instance, it can be used in gas stations, farms, factories, and transportation companies. It is a perfect fit for small and large vehicles, trucks, tractors, and other gasoline and diesel-powered equipment.

The Virette Fuel Nozzle comes with several features that make it stand out from other products. The trigger lock feature ensures that the nozzle remains in place during fuel delivery, preventing accidental spills and splashes. The splash guard feature protects the user from fuel spillage, especially in windy conditions. The automatic shut-off feature stops the fuel flow when the tank is full, preventing overfilling and fuel wastage.

The Virette Fuel Nozzle is compact and lightweight, measuring 5.5 inches, making it easy to handle and maneuver. It is also easy to install and maintain, with a simple design that requires minimal maintenance.

With a 1-year limited warranty, users can be confident in the durability and longevity of the Virette Fuel Nozzle. It is a reliable and efficient tool for anyone looking for a safe and hassle-free fuel delivery experience.

Customization:

Packing and Shipping:

Product Packaging:

The fuel nozzle will be packed in a sturdy cardboard box with cushioning material to prevent any damage during transit.

The nozzle will be wrapped in bubble wrap or plastic to protect it from scratches and other minor damages.

Shipping:

The fuel nozzle will be shipped via a reliable courier service or shipping company.

The shipping cost will be calculated based on the distance and weight of the package.

The estimated delivery time will depend on the destination and the shipping method chosen.

The customer will be provided with a tracking number to track their package.
