

Advanced Multi Cylinder Diesel Fuel Nozzle Dlla150s187 Gas Nozzle

Our Product Introduction

For more products please visit us on refueling-equipment.com

Basic Information

- Place of Origin: China
- Brand Name: Virette

Product Specification

- Warranty: 1 Year Limited Warranty
- Quality: Guranteed
- Stamp Number: Dlla150s187
- Material: Aluminum
- Component: Fuel Injection Device
- Size: 5.5 Inches
- Cylinder: Multi-cylinder
- Pressure Rating: 50 Psi
- Highlight: **dlla150s187 gas nozzle,
diesel fuel nozzle dlla150s187 ,
multi cylinder diesel fuel nozzle**

Product Description

Advanced Multi cylinder Diesel Fuel Nozzle Dlla150s187 for Enhanced Fuel Efficiency

Product Description:

With a nozzle diameter of 1 inch, this fuel nozzle can deliver fuel quickly and efficiently, making it an ideal choice for busy gas stations and fueling facilities. The 10-foot hose length provides plenty of reach, allowing you to easily fill up any vehicle or equipment that needs fuel. In addition to its impressive performance capabilities, this fuel nozzle is also designed to handle a wide range of temperatures. With a temperature rating of 0-150 degrees Fahrenheit, this fuel nozzle can be used in nearly any climate without fear of damage or malfunction. Whether you're filling up a small car or a large truck, this fuel nozzle is up to the task. Its multi-cylinder design ensures that it can handle a high volume of fuel without clogging or slowing down, making it a reliable and efficient choice for any fueling operation. Overall, if you're looking for a high-quality fuel nozzle that can deliver fuel quickly and efficiently, the Fuel Nozzle is an excellent choice. With its durable aluminum construction, 1-inch nozzle diameter, 10-foot hose length, and multi-cylinder design, this fuel nozzle is built to provide reliable performance for years to come.

Features:

Product Name: Fuel Nozzle

Hose Length: 10 Feet

Material: Aluminum

Cylinder: Multi-cylinder

Flow Rate: 10 Gallons Per Minute

Model: 11A

Keywords: Petroleum Flow Nozzle, Fuel Dispenser Nozzle, Diesel Fuel Gun

Technical Parameters:

Petroleum Flow Nozzle	
Gasoline Hose Nozzle	
Diesel Fuel Gun	
Nozzle Diameter	1 Inch
Stamp Number	Dlla150s187
Hose Length	10 Feet
Model	11A
Flow Rate	10 Gallons Per Minute
Features	Trigger Lock, Splash Guard, Automatic Shut-off
Cylinder	Multi-cylinder
Certifications	UL, CSA, CE
Component	Fuel Injection Device
Quality	Guaranteed

Applications:

The Virette fuel dispenser nozzle is designed for a pressure rating of 50 psi, allowing for efficient and fast fueling. The nozzle is equipped with a gas pump spout that is made to fit most gas pumps, making it a versatile tool that can be used in various scenarios.

This fuel nozzle is ideal for use in gas stations, fuel depots, and other industrial settings that require efficient fueling. It is also perfect for personal use, such as fueling up your car or motorcycle at home. Its compact size makes it easy to store in your garage or toolbox, ready for whenever you need it.

The Virette fuel dispenser nozzle is also suitable for use in agricultural settings, such as fueling up tractors and other farming equipment. Its pressure rating and gas pump spout make it a reliable and efficient tool in such scenarios.

In conclusion, the Virette fuel dispenser nozzle is a versatile and reliable tool that can be used in various occasions and scenarios. Its pressure rating, gas pump spout, and compact size make it a must-have tool for anyone who needs to fuel up their vehicles or equipment efficiently and quickly. Get your Virette fuel dispenser nozzle today and experience the convenience and ease of fueling up!

Customization:

Product Packaging:

One Fuel Nozzle

Instruction manual

Protective packaging

Shipping:

Ships within 1-2 business days

Free standard shipping within the US

Packing and Shipping:

International shipping available at an additional cost
