

50Psi 1 Inch Diesel Nozzle 1" Petrol Nozzle Auto Stop With 10 Feet Hose

Our Product Introduction

For more products please visit us on refueling-equipment.com

Basic Information

- Place of Origin: China
- Brand Name: Virette

Product Specification

- Hose Length: 10 Feet
- Quality: Guranteed
- Certifications: UL, CSA, CE
- Nozzle Diameter: 1 Inch
- Flow Rate: 10 Gallons Per Minute
- Material: Aluminum
- Component: Fuel Injection Device
- Pressure Rating: 50 Psi
- Highlight: 50psi 1 inch diesel nozzle ,
50psi petrol nozzle auto stop ,
1 inch petrol nozzle auto stop

Product Description

1 Inch Diameter Gasoline Hose Nozzle Fuel Dispenser Nozzle with 10 Feet Hose

Product Description:

The nozzle diameter of this Fuel Nozzle is 1 inch, making it the perfect fit for gas pump spouts, diesel fuel guns, and oil delivery spouts. The nozzle is designed to ensure that fuel is delivered at the right speed and pressure, minimizing spillage and waste. The nozzle is also made of high-quality materials to withstand wear and tear, ensuring long-lasting use. With this Fuel Nozzle, you can expect efficient fuel delivery, making it ideal for commercial and industrial use. Whether you are fueling up your fleet or delivering fuel to your customers, this Fuel Nozzle will get the job done. Overall, if you are looking for a reliable and efficient Fuel Nozzle, look no further than our model 11A. Designed to fit your fuel dispensing needs, this Fuel Nozzle is perfect for use in multi-cylinder engines and is compatible with gas pump spouts, diesel fuel guns, and oil delivery spouts. So why wait? Get your Fuel Nozzle today and start dispensing fuel with ease and precision!

Features:

Product Name: Fuel Nozzle

Certifications: UL, CSA, CE

Stamp Number: Dlla150s187

Flow Rate: 10 Gallons Per Minute

Nozzle Diameter: 1 Inch

Quality: Guaranteed

This Fuel Nozzle, also known as Diesel Fuel Gun or Petroleum Flow Nozzle, has been certified by UL, CSA, and CE. It has a flow rate of 10 gallons per minute and a nozzle diameter of 1 inch. The quality is guaranteed, and it comes with a stamp number of Dlla150s187.

Technical Parameters:

Product Attribute	Value
Product Name	Oil Delivery Spout/ Fuel Dispenser Nozzle/ Gasoline Hose Nozzle
Features	Trigger Lock, Splash Guard, Automatic Shut-off
Pressure Rating	50 Psi
Temperature Rating	0-150 Degrees Fahrenheit
Certifications	UL, CSA, CE
Quality	Guaranteed
Flow Rate	10 Gallons Per Minute
Warranty	1 Year Limited Warranty
Cylinder	Multi-cylinder
Hose Length	10 Feet
Material	Aluminum

Applications:

Whether you are a gas station owner looking to upgrade your fuel dispensers or a truck driver in need of a reliable diesel fuel gun, the Virette Fuel Nozzle is the perfect choice for you. Its 10-foot hose length allows for easy maneuverability and can reach even the most hard-to-reach fuel tanks. The stamp number Dlla150s187 ensures that this product meets all industry standards and regulations. There are many occasions and scenarios where the Virette Fuel Nozzle would be a useful tool. Gas station owners can use it as a replacement for old and worn-out gas pump spouts, providing customers with a more efficient and reliable fueling experience. Fleet managers can use it to fuel up their company vehicles quickly and easily, saving time and money on fueling expenses. Truck drivers and other heavy equipment operators can also benefit from the Virette Fuel Nozzle. Its durable construction and multi-cylinder design make it suitable for use with a wide range of diesel fuel types, ensuring that it can handle even the toughest jobs. The 10-foot hose length allows for easy maneuverability, making it simple to fill up even the largest fuel tanks. In summary, the Virette Fuel Nozzle is a versatile and reliable product that is perfect for a wide range of fueling applications. Whether you are a gas station owner, fleet manager, or truck driver, this fuel dispenser nozzle is guaranteed to meet your needs and exceed your expectations. So why wait? Invest in the Virette Fuel Nozzle today and experience the benefits of a high-quality fueling tool!

Customization:

Brand Name: Virette

Place of Origin: China

Material: Aluminum

Model: 11A

Size: 5.5 Inches

Stamp Number: Dlla150s187

Component: Fuel Injection Device

With our customization services, you can personalize your Diesel Fuel Gun to meet your specific needs. Whether you need a custom design or additional features added to your Diesel Fuel Gun, we can accommodate your requests. Our experienced team will work with you to ensure that your Oil Delivery Spout meets your exact specifications.

Packing and Shipping:

Product Packaging:

The fuel nozzle will be packaged securely in a cardboard box to prevent any damage during transit.

The box will be labeled with the product name, quantity, and any necessary handling instructions.

Shipping:

The fuel nozzle will be shipped via a trusted carrier, such as UPS or FedEx.

Shipping times may vary depending on the destination, but we strive to deliver our products as quickly as possible.

Once the order has been shipped, the customer will receive a tracking number to monitor the delivery status.
