Basic Information

- Place of Origin: China
- Brand Name: Virette

Product Specification

- Flow Rate: 10 Gallons Per Minute
- Quality: Guranteed
- Model: 11A
- Certifications: UL, CSA, CE
- Warranty: 1 Year Limited Warranty
- Material: Aluminum
- Cylinder: Multi-cylinder
- Stamp Number: Dlla150s187
- Highlight: **10gpm diesel pump nozzle,
dlla150s187 gas tank nozzle,
diesel pump nozzle dlla150s187**

Product Description

10 GPM Diesel Fuel Gun Gas Pump Spout With UI CSA Ce Certifications Aluminum Body Dlla150s187

Features:

Product Name: Fuel Nozzle

Component: Fuel Injection Device

Flow Rate: 10 Gallons Per Minute

Size: 5.5 Inches

Stamp Number: Dlla150s187

Hose Length: 10 Feet

Can be used as an Oil Delivery Spout

Also known as a Diesel Fuel Gun

Perfect for dispensing diesel fuel

Technical Parameters:

Model	11A
Certifications	UL, CSA, CE
Material	Aluminum
Stamp Number	Dlla150s187
Pressure Rating	50 Psi
Hose Length	10 Feet
Size	5.5 Inches
Temperature Rating	0-150 Degrees Fahrenheit
Nozzle Diameter	1 Inch
Component	Fuel Injection Device

Applications:

One of the key benefits of the Virette Fuel Dispenser Nozzle is its compatibility with diesel fuel guns. This makes it an ideal choice for commercial fleets, agricultural equipment, and other diesel-powered vehicles. The nozzle is also equipped with UL, CSA, and CE certifications, ensuring that it meets the highest safety and quality standards.

With its durable construction and reliable performance, the Virette Fuel Dispenser Nozzle is a versatile tool for a variety of fueling applications. Here are some of the occasions and scenarios where it can be used:

Gas stations and fueling centers

Agricultural operations, including tractors and other farm equipment

Commercial fleets, such as trucks and buses

Construction and industrial equipment, including generators and compressors

Marine vessels, such as boats and ships

Whether you need to refuel a small vehicle or a large piece of equipment, the Virette Fuel Dispenser Nozzle is up to the task. Its ergonomic design and easy-to-use features make fueling operations fast, efficient, and hassle-free. So if you're looking for a reliable and high-quality diesel fuel gun, be sure to check out the Virette Fuel Dispenser Nozzle today!

Customization:

Our Fuel Injection Device is made in China and meets all necessary certifications including UL, CSA, and CE. The stamp number, Dlla150s187, ensures the quality and authenticity of our product.

Our Gasoline Hose Nozzle has a nozzle diameter of 1 inch and is rated for temperatures between 0 and 150 degrees Fahrenheit, making it suitable for a variety of applications.

Trust us for your Oil Delivery Spout needs and let us customize a solution for you.

Packing and Shipping:

Product Packaging:

The fuel nozzle will be packed in a sturdy cardboard box to ensure it arrives in good condition.

The box will be labeled with the product name, quantity, and any special handling instructions.

Inside the box, the fuel nozzle will be securely wrapped in bubble wrap or foam to prevent any damage during transit.

Shipping:

The fuel nozzle will be shipped via a reputable courier service, such as FedEx or UPS.

The shipping method will depend on the customer's preference and location.

The customer will be provided with a tracking number so they can track their package's progress.

Shipping costs will be calculated based on the customer's location and the shipping method selected.
